- Career exploration and assessment
- Peer support and networking

JOB SERVICES

- Comprehensive job market information
- Job search assistance with personalized job leads
- Resume development
- Counseling on work incentives and benefits management

A past RAMP consumer stands in front of his place of employment.

FOLLOW UP

- Ongoing case management with support and encouragement
- Access to re-employment assistance
- Referral to transitional services for additional support

ELIGIBILITY

- Must be 18 or older
- Have a documented disability
- Want to work

“

My employment specialist helped me look for a job by suggesting new places to continue to look for work and providing job leads. I was encouraged by my employment specialist once I found a job to do my best at work at give it 100%... I also know that when I have questions or need help understanding the my benefits, I can always count on RAMP to listen and support me.
