

"Project SEARCH was a program to help me get experience and understand what it's like to work and find a real job. It meant a lot to me to have Kim and Aby to help me. Kim helped me feel safe and Aby made sure we did our jobs. I feel like I learned a lot at Embassy Suites and I'm proud of myself."

*-Brian Schneir,
Project SEARCH Graduate*

BENEFITS TO THE STUDENTS

- Learn valuable skills needed for a variety of jobs
- Gain increased independence, confidence, and self-esteem
- Receive personalized training, instruction, and feedback
- Get connected with Vocational Rehab and other services for adults
- Receive continued support from RAMP after graduation until at least 90 days of successful employment

WHAT IS PROJECT SEARCH

Project SEARCH is a unique, business-focused, one-year, school-to-work transition program for young adults with disabilities. Selected students will participate in three hands-on internship rotations at a professional host business site in combination with classroom instruction on employability skills. Participants will work with a team that includes their family, a rehabilitation counselor, host business mentors, and onsite Project SEARCH staff to create their employment goal. The team will also support the student during their transition from school to the workforce.

ADMISSION CRITERIA

- Age 18-22
- Have an IEP or 504 Plan
- Referred by a participating school district
- All graduation credits complete
- Strong desire to work 16 or more hours per week after program completion

"This program helps a lot of people that has disabilities who needs to find a job, and I will certainty tell you this program would help you."

-Tiana Kuntzelman, Project SEARCH Graduate
