

ABOUT RAMP

RAMP Disability Resources & Services builds an inclusive community that encourages individuals with disabilities to reach their full potential. We accomplish this by partnering with them to make changes in their own lives, seek peer support and remove barriers.

RAMP advocates for the implementation of current laws, promotion of needed legislation and improvement of existing systems for individuals with disabilities while working to diminish negative attitudes that threaten to impede equal access. To learn more about RAMP, visit our website www.rampcil.org. RAMP advocates for and serves people with disabilities in Boone, DeKalb, Stephenson and Winnebago Counties.
