## ABOUT JACK O'NEIL

Keynote Speaker, Jack O'Neil, is no stranger to the stage! Five years ago at age 11 he was our keynote sharing his journey of incredible strength and his surprising decision to electively have his leg amputated at age 9 that allowed him to flourish and follow his dreams. Now 16, Jack is back to share the opportunities he never imagined his amputation would lead to. He quickly became identified as an emerging disabled athlete and has spent the last 7 years traveling and competing in both swimming and triathlons. Through his athletic successes and disappointments, Jack has learned his greatest strength is his "mindset and his ability to adapt."
